Summary

I'm a 22 year old programming enthusiast, currently improving my skills. I possess good communication skills and a sharp eye for details which makes me a good team player, I also think of myself as a fast learner. I've finished some projects while I was practicing and I'm keen to pursue a career in Web Development.

Education

Shkenca Natyrore

Gjimnazi Jeta e RE • Suhareke, Kosovo
05/2019

Courses

Vue.js

Udemy
10/2022 - Present
Learned about Vue.js, CLI, VUEX etc. I also coded some applications throughout the course.
